- 3224** 1882/1950: A well-filled unused collection on Lighthouse hingless pages, well-filled for the available spaces, missing only some of the key values, several difficult stamps included, noting 1882 1 d. lilac, 1882-1930 issues with 7 s. 6 d. bronze-grey (some discoloration), 1903 £ 1 rose-pink on Cowan paper (hinge thin), 1931/58 printings including 1935 30 s. brown, 1950 £ 5 indigo-blue with inverted watermark, several 1939/45 surcharges, quite fresh, the 3 s. 6 d. Type II with inverted watermark, some examples with faults, but a chiefly fresh and fine collection, a useful nucleus for expansion into a specialized study of printings.
(Photo = www)
- 3225** 1873/2012: Comprehensive unused collection, arranged on Lighthouse hingeless pages, in five albums, complete for the available spaces, noting 1878 watermark NZ and Star perf 12x11½ 2 s. and 5 s. compound perforations, 1898 and 1899 Pictorial sets, back-of-the-book with Express Delivery (Gi E1-6), Postage Dues (Gi D1-47), Officials including the scarce 1907/8 6 d. Kiwi perforation varieties (3), the Official overprints filled from 1915/6 issues to 1940, strong Life Insurance issues with 1902/47 printings missing only the rare 2 d. brown-red, chiefly mounted until the 1920's, mixed thereafter until the end of the reign of King George VI, unmounted thereafter, the odd trivial flaw to be expected among the Victorian issues, but overall replete with fine and fresh stamps, a lovely collection, which took great effort to assemble.
