Ochsenaugen auf Brief (2. Auflage) · Bull's Eyes On Cover (2nd edition)
 Olhos de Boi em carta (2ª edição)

1999 erschien dieses Buch zur ersten Briefmarkenausgabe Brasiliens und ihrer Verwendung auf Briefen in erster Auflage. 152 Seiten, schwarzweiß, mit zahlreichen, vielfach nur unzulänglichen Abbildungen. Immerhin: Bereits damals konnten 175 Briefe erfasst werden! Heute, nahezu 15 Jahre später, ist dank jahrelanger Recherchen des Autors, aber auch dank einiger spektakulärer Auktionen der letzten Jahre, bereits über mehr als 270 Briefe zu berichten, zu denen Informationen vorliegen, die vom Autor wie in der Erstauflage sorgfältig beurteilt werden. Dazu zählen auch Belege, die heute als fragwürdig oder gar als Fälschungen einzustufen sind. Das Buch wird in Zusammenarbeit des Phil*Creativ Verlages mit dem Global Philatelic Network von Heinrich Köhler, Wiesbaden, und Corinphila-Auktionen in Zürich während der LONDON 2015 im Mai 2015 vorgestellt: als aufwändig erstellter Hardcover-Band, gedruckt in Farbe auf satiniertem Papier, voraussichtlich mit einem Umfang von nun ca. 400 Seiten! Inhalt nun erstmals dreisprachig: Portugiesisch – Englisch – Deutsch.

Unsere Bitte um Mithilfe an jeden Besitzer eines oder mehrerer „Ochsenaugen-Briefe“ bzw. an Kenner, Prüfer, Sammler und Händler: WIR SUCHEN Farabbildungen (am besten digital, als Scan) all jener Briefe, die weder im ersten Buch enthalten waren noch im Laufe der letzten 15 Jahre im Markt aufgetaucht sind, sei es bei einem renommierten, internationalen Auktionshaus oder bei einem renommierten, internationalen Händler.

Auf Wunsch können wir per E-Mail eine Abbildungs-„Fehlliste“ (PDF-Datei) der uns bereits bekannten Briefe zur Verfügung stellen, zu denen bisher keine Farabbildungen vorliegen.

This book dealing with the first stamp issue of Brazil, and including details of all known covers was first published in 1999. On 152 pages it included numerous black and white illustrations (many of them of poor quality). At that time 175 covers had been recorded.

Today, almost 15 years later, thanks to the author's continuing research and also to some spectacular auctions in recent years, more than 270 covers have now been documented, together with all the available information which the author has collected just as meticulously as in the first edition. This includes some dubious covers as well as some clearly identified forgeries.

This second edition, which is being prepared with the collaboration of the Phil*Creativ publishing house and also the Global Philatelic Network Heinrich Koehler Auctions, Wiesbaden, and Corinphila Auctions, Zürich, will be presented during LONDON 2015 in May 2015: a lavishly produced hardbound edition printed in full colour on satin-finish paper, evidently with over 400 pages! For the first time, the edition will be trilingual: Portuguese – English – German.

We politely appeal to all owners of covers bearing “Bull’s Eye” frankings and to specialists, certified experts, collectors and dealers to help us: WE ARE INTERESTED in colour reproductions (preferably scans) of all covers and fronts which are not reproduced in the first edition and have not been offered by reputable international auctions houses or dealers during the past 15 years.

O livro publicado em 1999, engloba toda a primeira edição do selo do Brasil, incluindo o registo de todas as cartas conhecidas. Contém 152 páginas, com ilustrações em preto e branco (muitas delas em má qualidade). No entanto, já naquela época foram identificadas 175 cartas. Hoje, quase 15 anos depois, graças à longa investigação do autor, e também a alguns leilões espetaculares nos últimos anos, mais de 270 cartas estão registadas. Contém toda a informação disponível que o autor recolheu meticulosamente, tal como na primeira edição, incluindo algumas cartas duvidosas, bem como falsificações claramente identificadas.

Esta 2ª edição está sendo preparada com a colaboração da editora Phil*Creativ e com a Rede Global de Filatelia das casas de leilões Heinrich Köhler de Wiesbaden e Corinphila de Zurique. Será apresentada durante Londres 2015 em maio de 2015. Será impressa a cores em papel acetinado, com capa dura, presumivelmente com mais de 400 páginas!

Pela primeira vez, a edição será realizada em três idiomas: Português - Inglês - Alemão.

Pedimos ajuda a todos os proprietários de cartas franqueadas com „Olhos de Boi“, especialistas, especialistas certificados, colecionadores e comerciantes para nos ajudar. ESTAMOS INTERESSADOS EM REPRODUÇÕES A CORES (de preferência digitalizadas), de todas as cartas e frente das cartas que não foram reproduzidas na primeira edição, e que não foram comercializadas em casas de leilões reputadas internacionalmente nos últimos 15 anos.
