5101	5 pa. grey, wmk. inverted, perf. 12½, a magnificent mint block of six from left of sheet, with large part FRANCOBOLLI imprint. 5102	5 pa. grey, wmk. inverted, perf. 12½, a fine used block of four, Types II-II/II-II, lightly cancelled by circular datestamp in black. Some minor ironed bends but a very rare and fine multiple. Signed Todd AIEP Nile Post D1 = \$ 700.	1	田	350	(€ 335)
5103	5 pa. grey, perf. 12½, variety: 'wmk. upright', a very fine used example with light Alexandria datestamp, centred to lower right. 5104	5 pa. grey, superb used example on top of 1866 'La Trombetta' Newspaper addressed to the Italian Consulate, cancelled by POSTE VICE-REALI EGIZIANE / ALESSANDRIA datestamp (Oct 22) in black (illustrated in Smith on page 152); also an earlier small piece with 5 pa. grey tied by 'retta' lozenge of 81 dots with same datestamp below (Jan 23, 1866) in black. Taxed with '1½' in manuscript (Charge 1 piastre, paid ½ piastre (double the deficiency) = 1½ piastres to pay). A rare and fine cover, illustrated in Smith on page 405.	2	⊠	750	(€ 715)
5112	10 pa. brown, Type II, used on 1867 local cover within Cairo, correctly pre-paying the Printed Matter rate, tied by POSTE VICE REALI EGIZIANE / CAIRO datestamp in blue (Feb 6). Struck on despatch with framed AFFRANCATURA / INSUFFICIENTE also in blue with manuscript '1.30' above (1 piastre 30 paras, the amount due for a single letter, less the pre-payment).
