**1526** Cancelled Stamps for Rowland Hill's nephew Ormond Hill.

On 18 April 1861 Ormond Hill, the nephew of Rowland Hill, wrote to Joshua Butters Bacon the head of Perkins Bacon and Co.: "My dear Sir, Two or three of my friends who are collectors of Postage Stamps have asked me to procure for them specimens of new or uncommon stamps whenever I have it in my power. It occurs to me that perhaps you may be able to give me a few ..." He added on 24 April: "... I should be glad to have six stamps of each kind ..." On 15 August J. Upham (for J.B. Bacon) sent the stamps to Pearson Hill with the following letter: "Dear Sir, I beg now to send you as promised ... an envelope addressed to Ormond Hill Esq. containing 6 obliterated impressions of each of the stamps named in the list and request you will take two of each for Rowland Hill Esq. and yourself and then seal the package and forward it together with a letter which you will also find addressed to him, to Mr. Ormond Hill." It turned out that the supply of the Crown Agents' property was given without authority. Ormond Hill was not asked to return the „specimens“, and in fact, all were treated as private property. Nevertheless, the case destroyed Perkins Bacon as future printers for the Crown Agents. From Peter Jaffe in "Cancelled by Perkins Bacon", published for Spink & Son Ltd by James Bendon Ltd. (1998).

*To have a better chance of being successful as a postal bidder we recommend setting a limit for the total amount of your purchases (excl. 20% buyers premium): for example, bidding on a range of lots with a total amount of CHF 10'000 and setting a limit of CHF 7'500 for your purchases means that the total for lots knocked down to you will not exceed the limit you have set. We know from experience that postal bidders are rarely successful on all lots. On the other hand, you might have been interested in other lots as well, but not knowing which lots would be knocked down to you and being worried to spend more than a certain amount, you did not bid on them. Giving a total purchase limit (see also the Bid Form in this catalogue) enables you to have a better chance of being a more successful postal bidder!*
