3828	Small Papua Overprint (Type 4), 1 s. black & orange, wm. vertical, line perf. 14 on medium paper, a used vertical sheet marginal pair, positions 20/25 on the sheet of 30 subjects, with upper stamp showing the variety: "Overprint Double, One Diagonal", lower stamp with normal overprint, neatly cancelled by 'Port Moresby' datestamp (Jan 10, 1908) in black. An extremely rare pair with just five pairs 'with and without' the error possible. Exceptional exhibition item. Cert. BPA (1956) Gi = £ 21'000. <i>Note: Just one sheet with this variety was found: the diagonal overprint being applied initially and the horizontal as a correction to the error. Positions 5, 10, 25 and 28-30 were left untouched by the diagonal overprint; all were cancelled to order except positions 14, 15, 17 and 19.</i>	44ba	8'000	(€ 7'200)
3829	Small Papua Overprint (Type 4), 2 s. 6 d. black & brown, wm. vertical, line perf. 14 on thick paper, an unused example, position 10 on the sheet of 30 subjects, with variety: "Inverted "d" for "p" in Papua", minor bend of no significance and not affecting the superb appearance, fresh and fine with large part og. A wonderful example of this extremely rare stamp. Cert. Ceremuga (2011) Gi = £ 19'000. <i>Note: Just two sheets of 30 were printed in error on thick paper with watermark vertical. As over half of the stock was used, this stamp, with the positional variety, can be considered a great rarity, with just 6 examples possible.</i>	45	*	7'500 (€ 6'750)
