GREAT BRITAIN 1840 – 1910

THE 'BESANÇON' COLLECTION (PART II)

Built over the last 45 years, the 'BESANÇON' collection is a marvellous 'traditional' collection of this popular area, with Essays, Proofs, issued stamps, large multiples and interspersed throughout with 'philatelic gems' chosen by the collector both for their rarity and aesthetic appeal.

The collection boasts items from all the great collections previously formed, from the Earl of Crawford (1913), Philipp von Ferrary (1921/1924), Louis Oram Trivett (1924), H.P. Manus (1932), Arthur Hind (1934), Colonel Arthur M. Bates (1934), Baron Anthony de Worms (1938), Bertram McGowan (1950), J.B. Seymour (1951/1953), Alfred H. Caspary (1956), Per Gjerding (1956), Maurice Burrus (1963), Kenneth M. Beaumont (1965), 'MAXIMUS' (Ronald A.G. Lee, 1970), Joseph Silkin (1971), Alfred F. Lichtenstein & Louise Boyd-Dale (1989), to the more recently formed 'pseudonym' collections and the outstanding Surface printed issues collection of Dr. Douglas Latto (1992).

Like the Classic France, Australian States and Cape of Good Hope collections also sold by Corinphila, quality was of paramount importance to 'BESANÇON'.

THE KARL LOUIS “CARD INDEX” ADDED VALUE BY PROOF OF PROVENANCE

Describing Philatelic rarities calls for more than just quoting catalogue numbers and values. Provenance is a philatelic pedigree of former owners from the inception of philately until the present day. Those collections held in the highest esteem by their contemporaries and containing the great rarities, the modern day “Large Gold” exhibits, can be traced back to the collectors who once owned the particular rarity and the auctions where they were sold and changed hands. Frequently, the further back a philatelic pedigree goes, the more coveted the rarity becomes. Provenance is a quality seal. As in Art, Provenance is an indispensable attribute: in this case, of valuable Great Britain stamps and covers.

The most comprehensive Provenance files of rare Great Britain has been meticulously maintained by Karl Louis AIEP, FRPSL., Corinthila’s Managing Director. Karl started his Great Britain ‘Card Index’ more than 35 years ago. Consisting of approximately 75000 records it is – to the best of our knowledge – by far the most comprehensive and important census of British Stamps in the philatelic world.

*« Provenance is a quality seal.
As in Art, Provenance is an
indispensable attribute. »*

All Provenances given for items offered in the ‘BESANÇON’ Great Britain 1840 – 1910 collection are based on information from the ‘Karl Louis Card Index’ and we will provide as much information on previous owners and sales as possible. We believe that this will benefit both potential buyers and future collectors in the ‘BESANÇON’ series of auctions to be held at Corinthila. For further details, especially of what kind of items can be found in the ‘Card Index’ see: www.corinthila.ch

3001 1857 (March 6): Autographed Letter Sheet signed at foot by **Rowland Hill**, written on embossed Post Office notepaper to Pliny Miles (1818-1865) an American Postal reformer whose grand idea was a 1 cent rate over any distance in the USA, part of the letter with outstanding content on the Transatlantic Route - "When I receive your pamphlet on Ocean Steam Navigation I shall peruse with much interest your remarks on the existing high rates of postage between this country and America, but I cannot for a moment acknowledge that any blame attaches to this Office. We proposed some months since to reduce the rate, and the measure is now under the consideration of the United States Post Office. I remain, Yours truly, Rowland Hill". A rare and fascinating letter.

Remark: An ideal addition to the "Congressional Mulready" for presentation to the United States Senate in conjunction with Daniel Webster's resolution dated 10 June 1840 relative to a reduction of the postage on letters.

3003 1840c. Perkins Bacon & Petch, Die Proof for a miniaturised version of the Charter of the Bank of England, an extraordinary masterpiece of the Perkins Bacon engraving process with engine-turned oval surround; headed "Charter of the Bank of England, Now know ye, that we being desirous to promote the publick good and benefit of our people which in these presents are chifty designed and intended as well as the profit and advantage of all such as have subscribed & contributed according to the said Act of Parliament and our said commission thereupon issued...", continuing for a further twenty odd lines. A wonderful example of printing, in such quality that even modern photocopyers and scanners cannot enlarge same, and most probably from a proposal for either Postage Stamps or Banknote production.

VI, lettered HI, ample to large margins all round, tied by fine strike of the Maltese Cross in red. Double arc 'Bridgenorth' despatch cds in red at left (Oct 13) and reverse with large part 'Worcester' arrival cds (Oct 16) in black, minor bends of no importance, a charming usage. Unlisted by Jarvis, Bodily & Hahn in 'British Pictorial Envelopes'; where just three examples are recorded (4 are currently listed but the E. E. Yates listing is erroneous - Yates had no example of a used Spooner No. 1 with a 1 d. black - this cover would restore parity in the listing). Exceptionally attractive usage and very rare. Cert. Pick of the Pack

TWO PENCE on 'Dickinson' Silk Thread Paper

On 9 March 1841 the printers Perkins Bacon returned in a letter to John Dickinson F.R.S. *"...five small pieces of paper, which we have printed, three of them in pink and two in blue ink, and gummed on the backs..."*. The five small pieces of paper had "silk" threads embedded in them for additional security against possible postal fraud. But the paper samples were small: only 8 stamps each, from the 1841, Two Pence small Trial plate of twelve. They were part of printing experiments to test if the 'Crown' watermarked paper could be substituted by 'Silk Thread Safety Paper', invented by John Dickinson F.R.S., of Dickinson & Co., Apsley Hill near Hemel Hempstead.

34 years later, in 1875, John Dickinson jr. found in Abbot's Hill, King's Langley, in the house of his father, various notes and memorabilia connected with paper making. John Dickinson jr. gave his find to his nephew Lewis Evans, who was seriously interested in stamp collecting. Lewis Evans later reported in 'The British Philatelist', vol. XIII, 1920/21, on pages 37-39 about the original find: *"The two most important postage stamp items were two blocks of eight, one in red and the other in blue, of the trial stamps referred to in the accompanying letter of March 9th.....from Joshua B.Bacon....."*. The red block was identified to originate from positions Nos. 1-4/5-8 and the blue block from position Nos. 5-8/9-12 of the 1841, 2d. blue small Trial plate of twelve.

Confirmed by another letter from Rowland Hill to John Dickinson F.R.S. dated March 27th, 1841, Hill had returned to Dickinson *"....specimens of your new label paper (which have been printed)"*, which were most likely the two blocks of eight found by Dickinson jr. in 1875. Most probably Hill had kept the

other three blocks which, after his death, found their way on the market through Rowland Hill's son Pearson Hill.

Lewis Evens gave his two blocks in exchange to His Majesty King George V for (unspecified) various essays *"....as well as the specimens of this Two Pence with silk thread, which he had. Of the four stamps which His Majesty gave...in exchange, there was one red, No.7, and three blue, No. 9 and a pair Nos. 11 and 12"*.

Since the Royal Collection still incorporates the two blocks of eight, only a maximum of eight 2d. blue and sixteen 2d. red on Dickinson silk thread paper remain for collectors. Three specimens of these are housed in the Phillips Collection in the National Postal Museum (N.P.M.) in London, thus reducing the number of available Trials to just seven 2d. blue and fourteen 2d. red.

The Karl Louis Card Index has records of the 2d. blue from position Nos. 6, 7 and 9 – 12, lacking only position Nos. 5 and 8. From the sixteen 2d. red only three positions, namely Nos. 1, 2 and 4, have never been seen by Karl.

The BESANÇON Collection contains a wonderful lower right corner copy of a 2d. red from position No. 8. The second 2d. red from position No. 8 is in the Phillips Collection in the N.P.M. The BESANÇON corner example is from the 'DURHAM' collection (1993), and the Bob Cooley (1995) collection. It is illustrated in Stanley Gibbons Specialised Stamp Catalogue vol.1.

Pick of the Pack

'OLD' and 'NEW' Design! The Change from Large White to Large Coloured Corner Letters

In February 1872 the stamp printers De La Rue submitted to the Board of Inland Revenue three sets of coloured die proofs for the seven low value stamps in use showing coloured corner letters instead of white corner letters. For comparison De La Rue also attached the seven low values in the old design in similar die proofs for comparison. The sets were handstamped 'OLD' and 'NEW' respectively. The reason for the change of the design proposed by De La Rue was to speed up production of printing plates due to increasing demand for adhesive stamps. In addition to the three sets of 'OLD' & 'NEW' die proofs delivered to the Board of Inland Revenue, De La Rue kept another set for their archive, making a total of four sets produced.

The History of the 'Four sets'

Robert B. Galland studied and listed in 'Surface Printed Postage Stamps 1855-1883 - Low Values' (2009) for the first time the individual 'four sets'. Bob stated 'Set 1' now being in the Royal Collection. 'Set 2' and 'Set 3' have been seen in private hands and in auction. 'Set 4' was offered for the first time on the market in December 1976, when Robson Lowe sold the holding of the Board of Inland Revenue. This 'Set 4' was bought by the National Postal Museum, thus today only two sets in private hands are possible. The 'BESANÇON' collection contains a fascinating pair of the 9d. 'OLD' & 'NEW' die proofs, the 'NEW' die proof being endorsed in pencil "approved 11 March 1872 - 2280/72" – this stated to be in Ormond Hill's handwriting.

Robert B. Galland's Research

Based on Bob Galland's research and supported by Karl's Card Index, the 'BESANÇON' 9d. 'OLD' & 'NEW' pair of die proofs originate from 'Set 2'. They are unique in private hands

in regard of the following aspects: From 'Set 3' only the 9d. 'NEW' design die proof is recorded, but very much reduced in size and therefore with the handstamp 'NEW' missing. The 9d. 'OLD' design die proof from 'set 3' has never been found, neither by Robert Galland, nor is it recorded in Karl's Card Index. So the 'BESANÇON' 9d. pair of the 'OLD' & 'NEW' die proofs must originate from 'Set 2'. Thus the 9d. 'OLD' die proof is unique in private hands, the 9d. 'NEW' die proof is also unique in private hands showing the handstamp 'NEW'!

Prominent Provenances

Confirmed provenances of the 'BESANÇON' 9d. pair of die proofs in Karl's Card Index are most prominent: The first record could be traced to the W.E. Sugden collection sold by Robson Lowe in January 1951. They were bought by Major K.M. Beaumont, C.B.E., D.S.O, President of the Royal Philatelic Society, London, from 1953-1956 and first president of the Great Britain Philatelic Society. Major K.M. Beaumonts collection was sold through Robson Lowe by auction in December 1965 and the 9d. pair of die proofs went into the collection of Dr. Douglas Latta F.R.P.S.L. (sold in by auction in October 1992) one of Britain's foremost gynaecological specialists.

Since 1992 the pair of die proofs have rested in the 'BESANÇON' collection. Never exhibited by the collector, only very few people have ever had the chance to see them. Now it is not only the chance to see them, it is the chance to own them.

- 3333** 1840: Prepared for use but unissued, "VR" 1 d. black, lettered HG-HH / IG-IH, the wonderful unused block of four with large margins all round, fresh and very fine, superb large part og., one stamp unmounted og. The block comes from the 'Dublin Find' which consisted of a large part sheet of 228 stamps found in the Dublin GPO in 1899. The remaining large part sheet of 207 stamps (some having been sold by Plumridge & Co. in the interim) was sold to the Earl of Crawford between 1901 and 1906. The Earl's collection was sold, in 1913, to Captain R.B. Sparrow intact. In 1914 the VR block was entrusted to Charles Nissen for resale and he proceeded to cut the multiple up into singles, pairs, strips and blocks of various sizes. Faultless, a truly magnificent multiple of the greatest rarity. Cert. BPA (1967) GI VR1 = £ 280'000.

VICTORIAN MIXED-FRANKING COVERS

RAY SIMPSON FRPSL & KARL LOUIS FRPSL

The first 60 years of British postage stamp development involved extensive technical and administrative changes, the story of which is illuminated by mixed-franking covers. For the first time, comprehensive listings are provided of more than 1,200 mixed-franking covers, almost 400 of which are illustrated. From 1840 to about 1880 the data are drawn primarily from Karl Louis' renowned card index. Karl has drawn on his extensive professional expertise to provide **valuation factors** based on historical catalogue prices to provide a basis for valuing mixed frankings relative to catalogue prices for single stamps on cover.

The book will be hardback in full colour with 288 A4-size pages

The Dublin Find

A tale of intrigue and secret stamp dealing by the Post Office at the very beginning of the 20th century;
and a modern investigation into where the stamps may have ended up.

by DON MADDEN and KARL LOUIS

'I am a great believer in documents contemporary to the events being described . . . This can be clearly seen here in Don Madden's account of the history of the "find" . . . An excellent study based on very extensive research . . . Karl Louis's reconstructions of the material from subsequent sales of broken down sheets is a remarkable achievement'

Forschungsgemeinschaft Großbritannien e.V. (FgGB)

im Bund Deutscher Philatelisten e.V. (BDPh)

— gegründet 1970 —

»50 Jahre FgGB (1970–2020)«

Als sich Anfang des Jahres 1970 eine kleine Gruppe von rund 15 Philatelisten in Westerborg zusammen fand, um die Forschungsgemeinschaft Großbritannien (FgGB) zu gründen, wird sich keiner von Ihnen darüber Gedanken gemacht haben, wie diese Gemeinschaft im Jahr 2020 aussehen könnte. In der Zwischenzeit hat die FgGB etwas mehr als 100 Mitglieder. Sie wendet sich mit ihrer Arbeit vor allem an Sammler deutscher Sprache. Aus diesem Grunde erfolgen die Veröffentlichungen auf Deutsch und in seltenen Fällen zusätzlich auf Englisch.

Von der Vorphilatelie über die legendäre Penny Black aus der Zeit von Queen Victoria bis hin zu den modernen Machins mit dem Bildnis von Queen Elisabeth II, bei uns finden Sammler aller Epochen Hilfe, Rat und Informationen. Sowohl Postgeschichte als auch Philatelie spielen in der FgGB eine wichtige Rolle. Als engagierte Forschungsgemeinschaft haben wir sowohl zur Postgeschichte des Vereinigten Königreiches als auch zu den Briefmarken der britischen Inseln bereits zahlreiche Bücher publiziert. Alle Sammler dieses Gebietes, seien es Anfänger oder fortgeschrittene Aussteller, sind bei uns herzlich willkommen.

Was wir unter anderem bieten:

- Vier Rundbriefe pro Jahr, die entweder gedruckt oder digital bezogen werden können
- Ein großes Jahrestreffen (Wochenende) mit regelmäßig über 70 Teilnehmern
- Eine umfangreiche Bibliothek mit postgeschichtlicher/philatelistischer Literatur zu Großbritannien (Download Bibliotheksverzeichnis auf der Website der FgGB möglich)
- Zwei Regionaltreffen pro Jahr, meist im »Haus der Philatelie« in Bonn
- Beratung beim Aufbau von Ausstellungssammlungen durch erfahrene Aussteller
- Nachlassberatung und Beratung bei der Veräußerung von Sammlungen

Der Mitgliedsbeitrag beträgt aktuell €40,00 Euro (Rundbrief in Papierform) bzw. €20,00 (Rundbrief als PDF). Eine Aufnahmegebühr wird nicht erhoben.

Nur Lose, die mit offiziellen Zolldokumenten direkt durch Corinphila Auktionen AG nach Ländern ausserhalb der Schweiz versendet werden, sind von der Schweizer Mehrwertsteuer befreit: in diesem Falle werden die Auktionsfakturen ohne 7,7% MWST ausgestellt.

Only lots sent with official export documents by Corinphila Auktionen AG to countries outside of Switzerland are exempt from Swiss VAT: these invoices will be issued without 7.7% Swiss Value Added Tax (VAT).

La TVA suisse de 7,7% sera exemptée sur les lots exportés officiellement par Corinphila avec les papiers d'exportation correspondant au montant de la facture.

Rückerstattung der Mehrwertsteuer Schweiz (MWST) bei Export persönlich durch den Käufer

Refund of the Swiss Value Added Tax (VAT) if lots are exported personally by the buyer

Remboursement de la TVA suisse en cas d'exportation personnelle par l'acheteur

Werden die Lose durch den Käufer persönlich exportiert und aus der Schweiz ausgeführt, dann wird die Auktionsfaktura mit 7,7% MWST ausgestellt. Beim Verlassen der Schweiz muss der Käufer die Lose zusammen mit der Auktionsfaktura und den Exportdokumenten bei den Schweizer Zollbehörden deklarieren. Die Rückerstattung der MWST (7,7%) durch Corinphila Auktionen AG erfolgt ausschliesslich nach Erhalt der durch die Schweizer Zollbehörden beglaubigten Exportdokumente.

If the buyer wants to export the purchased lots personally, the invoice will be issued with 7.7% Swiss Value Added Tax (VAT). When leaving Switzerland the buyer must declare the auction lots together with the invoice and the export documents to Swiss customs authorities. Corinphila Auktionen AG will refund the previously added Swiss VAT only upon presentation of the export documents officially approved by Swiss customs authorities.

En cas d'exportation personnelle des lots par l'acheteur la facture la TVA suisse de 7,7% sur le montant total. La TVA ne sera remboursée que si l'acheteur avant de quitter le territoire se rend à la douane suisse avec la facture, les lots et les papiers d'exportation afin de les faire valider. Seulement à réception de ceux-ci Corinphila Auktionen AG pourra alors rembourser la TVA à l'acheteur.

VERSTEIGERUNGSBEDINGUNGEN

1. Die Versteigerung erfolgt öffentlich und freiwillig. Die Teilnahme daran gilt als Anerkennung der als bekannt vorausgesetzten Versteigerungsbedingungen der Corinphila Auktionen AG (nachfolgend Versteigerer genannt) durch den Käufer (nachfolgend auch Bieter genannt).

2. Alle im Katalog aufgeführten Lose können vom Bieter vor oder während der Auktion besichtigt werden; für den bei der Besichtigung entstandenen Schaden haftet der Bieter. Der Versteigerer behält sich das Recht vor, von der im Katalog angegebenen Reihenfolge abzuweichen, Lose zusammenzulegen oder Lose aus der Auktion zurückzuziehen; die Schätzpreise im Auktionskatalog sind unverbindliche Ausrufpreise. Der Versteigerer ist auch berechtigt, einzelne Personen ohne Angabe von Gründen von der Versteigerung auszuschliessen.

3. Die Beschreibungen der Lose erfolgen mit grösster Sorgfalt und nach bestem Wissen, sie stellen jedoch keine zugesicherten Eigenschaften dar. Bei den im Katalog abgebildeten Marken ist für Rand, Zähnung und Stempel die Abbildung massgebend. Qualitäts- und Echtheitsbeanstandungen an Einzellosen sind von persönlich anwesenden Käufern sofort vorzubringen; schriftliche Bieter haben Beanstandungen für Einzellose innerhalb 3 Tagen nach Erhalt der Ware schriftlich zu übermitteln.

Bei Sammlungen oder Sammellosen, welche zwei oder mehr nicht einzeln beschriebene Marken enthalten, sind Qualitäts- und Echtheitsbeanstandungen ausgeschlossen. Das Beanstandungsrecht erlischt auch dann, wenn Marken nicht im Originalzustand zurückgegeben oder nachträglich vom Käufer verändert werden; unter Vorbehalt des Anbringens von Prüfzeichen eines für Irrtümer haftenden Prüfers.

4. Der Versteigerer haftet für die Echtheit der verkauften Einzellose während 5 Jahren. Ausgeschlossen ist die Haftung für Sammlungen und Sammellose, welche zwei oder mehr nicht einzeln beschriebene Marken enthalten - diese Lose sind ausdrücklich von jeglicher Reklamation ausgeschlossen. Bei Einzellosen, die von einem Experten mit einem Attest versehen sind, gilt mit Abgabe eines Gebotes dieses Attest als massgeblich anerkannt und ist insoweit eine Haftung des Versteigerers ausgeschlossen. Wünscht ein Bieter die Abgabe eines Gebotes auf ein Einzellos unter Vorbehalt (extension), muss dies dem Versteigerer mindestens 24 Stunden vor der Auktion schriftlich bekanntgegeben werden; anzugeben sind die Gründe für den Vorbehalt und von welchem Experten (dem der Auktionator zustimmen muss) eine Stellungnahme gewünscht wird. Vorbehalte gegenüber einem bestehenden Attest können normalerweise nur in Bezug auf Echtheit oder Klassifizierung gemacht werden; wird ein Zuschlag unter Vorbehalt aus Gründen gewünscht, die Erhaltung bzw. Zustand des Loses betreffen, entscheidet der Auktionator im Namen des Einlieferers darüber vor der

Auktion. Der Auktionator behält sich das Recht vor, Gebote unter Vorbehalt zu streichen, wenn seiner Meinung nach das Los nicht der im Antrag auf Vorbehalt gemachten Beschreibung entspricht. Vorbehalte müssen bis spätestens 20 Tage nach Abschluss der Auktion geklärt sein, danach verfällt das Recht auf Rückgabe. Auf Sammlungen oder Sammellose mit zwei oder mehr nicht einzeln beschriebenen Marken wird kein Vorbehalt gewährt. Alle Kosten für die Stellungnahme des/der Experten im Zusammenhang der mit Vorbehalt gebotenen Lose gehen zu Lasten des Bieters.

5. Den Zuschlag erhält der Meistbietende nach dreimaligem Aufruf. Auf den Zuschlagpreis hat der Käufer ein Aufgeld von 22% zu entrichten. Ein Bieter bleibt an das abgegebene Gebot gebunden, wenn ein nachfolgendes Übergebot ungültig ist oder vom Versteigerer zurückgewiesen wird.

6. Die Mindeststeigerungsstufen betragen:

| | | | | |
|---------|---------|---------|---------|-------------|
| | bis CHF | 200 | = CHF | 10 |
| von CHF | 200 | bis CHF | 500 | = CHF 20 |
| von CHF | 500 | bis CHF | 1'000 | = CHF 50 |
| von CHF | 1'000 | bis CHF | 2'000 | = CHF 100 |
| von CHF | 2'000 | bis CHF | 5'000 | = CHF 200 |
| von CHF | 5'000 | bis CHF | 15'000 | = CHF 500 |
| von CHF | 15'000 | bis CHF | 30'000 | = CHF 1'000 |
| von CHF | 30'000 | bis CHF | 50'000 | = CHF 2'000 |
| von CHF | 50'000 | bis CHF | 150'000 | = CHF 5'000 |
| | ab CHF | 150'000 | = CHF | 10'000 |

Ausrufpreise, Gebote, Zuschläge und Rechnungsstellung ausschliesslich in Schweizer Franken (CHF).

Die im Katalog angegebenen Ausrufpreise in Euro (EUR) haben nur informativen Charakter.

7. Schriftliche Gebote werden, soweit sie höher liegen als das beste Gebot eines anwesenden Bieters, interessewährend und gewissenhaft, aber ohne Gewähr ausgeführt. Schriftliche Gebote, welche uns später als 2 Stunden vor Beginn der jeweiligen Auktionssession erreichen, können unter Umständen nicht mehr bearbeitet werden. Liegen zwei oder mehr gleichlautende Gebote vor, bekommt das zuerst eingegangene Gebot den Zuschlag. In Zweifelsfällen, bei Streitigkeiten oder Missverständnissen erfolgt ein nochmaliger Ausruf. Den Entscheid darüber trifft die mitwirkende Behörde.

8. Mit dem Zuschlag kommt zwischen dem Versteigerer und dem Bieter, der den Zuschlag erhält, ein Kaufvertrag zustande, der zur Abnahme verpflichtet. Mit dem Zuschlag geht die Gefahr der Sache auf den Käufer über; der Eigentumsübergang erfolgt hingegen erst mit der vollen Zahlung des Kaufpreises.

9. Der Zuschlag erfolgt in Schweizer Franken (CHF). Fremdwährungen werden im Betrage der durch eine Schweizer Grossbank getätigten Gutschrift anerkannt; eventuelle Kursdifferenzen werden dem Käufer in Rechnung gestellt. Die schweizerische Mehrwertsteuer (MwSt) von 7,7% wird zum Zuschlagspreis inkl. 22% Aufgeld hinzugerechnet. Die MwSt entfällt für Käufer aus dem Ausland mit rechtsgültiger, direkter Ausfuhrdeklaration; Käufern aus dem Ausland, welche die Ware persönlich exportieren, wird die in Rechnung gestellte MwSt nach Vorlage der amtlichen Ausfuhrdeklaration zurückvergütet.

10. Die Bezahlung der ersteigerten Lose hat grundsätzlich am Auktionstag zu erfolgen, sofern der Versteigerer nicht eine 5tägige Zahlungsfrist einräumt. Käufer, welche die Lose nicht persönlich abholen, überweisen den Betrag sofort nach Rechnungsstellung. Der Anspruch auf Aushändigung der zugeschlagenen Lose entsteht erst nach vollständiger Bezahlung. Bei Zahlungsverzug behält sich der Versteigerer vor, entweder auf Zahlung des Kaufpreises zu klagen oder vom Kaufgeschäft ohne weitere Fristansetzung unter Geltendmachung von Schadenersatz (inkl. entgangener Gewinn) zurückzutreten (Art. 107-109 OR). Bei verspäteter Zahlung von mehr als 30 Tagen nach Rechnungsstellung werden ein Zuschlag von 5% und Zinsen von 1% pro Monat berechnet.

11. Die Zustellung der zugeschlagenen Lose durch die Post oder auf anderem Wege erfolgt auf Rechnung und Gefahr des Käufers.

12. Personen, die als Stellvertreter in fremdem Namen oder als Organ einer juristischen Person bieten, haben den Nachweis der Vertretungsbefugnis (Vollmacht, Zeugnis des Handelsregisteramtes) vorzulegen; zudem sind sie persönlich haftbar, insbesondere auf die in Bezug auf die Versteigerung eingegangenen Verpflichtungen. Gebote für namentlich nicht bezeichnete oder erst später bezeichnete Personen oder für noch nicht bestehende juristische Personen werden nicht berücksichtigt.

13. Schadenersatzansprüche gegen den Versteigerer, sei es aus Verzug, Unmöglichkeit der Leistung, positiver Vertragsverletzung, Verschulden bei Vertragsbruch oder unerlaubter Handlung sind ausgeschlossen, soweit der Schaden nicht durch vorsätzliches oder grob fahrlässiges Handeln verursacht worden ist.

14. Die Auktion wird unter der Aufsicht des Stadtmannamtes Zürich 8 als mitwirkender Behörde durchgeführt. Für Handlungen des Versteigerers haften weder der Stadtmann oder dessen Vertreter noch Stadt oder Kanton Zürich.

15. Die Versteigerung und die daraus entstehenden Rechtsbeziehungen unterstehen schweizerischem Recht. Erfüllungsort und Gerichtsstand ist Zürich 1. Der Versteigerer behält sich jedoch das Recht vor, den Schuldner an seinem Wohnsitz zu belangen. Soweit in den vorliegenden Versteigerungsbedingungen keine Sonderregelungen getroffen sind, gelten die Bestimmungen der Verordnung des Obergerichtes Zürich über das Verfahren bei freiwilligen öffentlichen Versteigerungen vom 19.12.1979.

CONDITION OF SALE

1. The auction will take place publicly and voluntarily. Participation means acceptance in full of the Terms of Auction, considered as known, of Corinphila Auktionen AG (hereafter referred to as the Auctioneer) by the Purchaser (hereafter also referred to as the Bidder or Buyer).

2. All lots mentioned in the catalogue may be inspected by Bidders before or during the auction. The Bidder will be held responsible for any damage caused during the viewing. The Auctioneer has absolute discretion to deviate from the lotting order, to combine two or more lots or to withdraw any lot from the auction. The estimated prices in the catalogue are not binding. The Auctioneer is also authorized to refuse any person's attendance at the auction without giving any reason.

3. The lots are described with greatest care and to the best of the Auctioneer's knowledge. The descriptions do not, however, constitute any particular guarantee. The catalogue illustration prevails as regards the margin, centring, separation and postmark of the stamps. Claims concerning quality and authenticity of single lots must be made immediately by the Buyer being personally present. In the case of written bids for single lots, claims must be made in writing within three days after receipt of the goods. In the case of collections or mixed lots containing two or more stamps which are not described individually, no claims will be accepted regarding quality and authenticity. Complaints must also be refused if the stamps are not returned in the original condition, or if they have been altered afterwards by the Buyer, except in the case of marks made by a recognised expert who is responsible for his errors.

4. The Auctioneer is liable for the authenticity of all single lots sold for a period of 5 years. This guarantee is expressly excluded in respect of collections, accumulations or mixed lots containing more than two stamps which are not described individually - those lots are excluded from any claims. The bidding for single lots which have been certified by an expert denotes the acceptance of the certificate by the Buyer, and in this case the Auctioneer cannot be held liable. If a prospective buyer wishes to bid with an extension on any single lot, the auctioneer must receive notice in writing at least 24 hours prior to the day of the auction; this written notice must give the reason why an extension is required and whose expert opinion is to be sought; the latter must be agreed by the auctioneer. Extensions for expert opinion will normally only be considered for reasons of genuineness or classification; requests for extension for reasons of condition will be decided by the auctioneer on behalf of the vendor

prior to the sale. The auctioneer reserves the right to cancel any bid with an extension (notifying the bidder of his action) if in his opinion the item is not as described within the terms of the request for extension. All extensions must be cleared within 20 days of the auction, after which time the right of return is forfeited. Extensions are not granted on mixed lots or collections. All costs and charges for expert opinions are the responsibility and liability of the buyers.

5. The lots will be sold to the highest Bidder upon three calls. The Buyer shall pay a commission of 22% added to the hammer price. Bidders are bound to their bids if a subsequent higher bid is invalid or immediately refused by the Auctioneer.

6. The minimum bidding increments are as follows:

| | | | | |
|----------|-----------|-----------|---------|-------------|
| | up to CHF | 200 | = CHF | 10 |
| from CHF | 200 | up to CHF | 500 | = CHF 20 |
| from CHF | 500 | up to CHF | 1'000 | = CHF 50 |
| from CHF | 1'000 | up to CHF | 2'000 | = CHF 100 |
| from CHF | 2'000 | up to CHF | 5'000 | = CHF 200 |
| from CHF | 5'000 | up to CHF | 15'000 | = CHF 500 |
| from CHF | 15'000 | up to CHF | 30'000 | = CHF 1'000 |
| from CHF | 30'000 | up to CHF | 50'000 | = CHF 2'000 |
| from CHF | 50'000 | up to CHF | 150'000 | = CHF 5'000 |
| | over CHF | 150'000 | = CHF | 10'000 |

Start prices, bids, hammer prices and invoices
exclusively in Swiss Francs (CHF).

Start prices in Euro (EUR) indicated in the catalogues
are only for information.

7. Written bids which are higher than the best bid of a Bidder present will be considered carefully and in the Bidder's interest but without prejudice. Written bids received later than 2 hours before the start of the auction sale session may not be processed. In the case of two or more identical bids, the first bid received will be deemed to be the successful bid. In case of doubt, disputes or misunderstandings, the lot will be auctioned again. This decision will be made by the Cantonal authority.

8. Upon the fall of the Auctioneer's hammer, a sales contract is entered into between the Auctioneer and the Bidder. The Buyer is obliged to accept the goods. The risk passes to the Buyer with the fall of the hammer; title of ownership, however, passes to the Buyer only after full payment of the total amount due.

9. The total amount due is payable in Swiss Francs (CHF). Foreign currencies will be accepted to the extent of the amounts credited by a principal Swiss bank; any costs arising from exchange rate differences will be borne by the bidder. In addition to the hammer price including the 22% commission, the Swiss value-added tax (VAT) of 7.7% is payable. VAT is not payable by Buyers from abroad possessing a legal direct export declaration. If Buyers from abroad wish to export the lots themselves, VAT will be debited and refunded upon presentation of the legal export declaration.

10. Payment of lots is due on the day of auction unless the Auctioneer has granted terms of payment of 5 days thereafter. Bidders who do not personally pick-up their lots are obliged to transfer the amount due immediately on receipt of invoice. The handing over of lots can only be claimed after payment in full. Upon delay of payment the Auctioneer reserves the right either to sue the Buyer for payment or to cancel the sales contract without granting any further grace period and to claim for damages (including lost profits) according to article 107-109 CO. If payment is more than 30 days overdue, a surcharge of 5% and interest in the amount of 1% per month will be payable.

11. The lots sold will be forwarded by mail or by other means of transport at the Bidder's risk and expense.

12. Any Bidders acting on account and behalf of a legal person must submit proof of their representation right (power of attorney, certificate of registration). They are personally liable, especially regarding the obligations entered into during the auction. Bids made for unnamed persons or for persons named later or for not yet legally existing persons cannot be considered.

13. Claims for damages against the Auctioneer for delay, non-performance, positive infringement of contract, fault in breach of contract are not permissible unless the damage was caused deliberately or through gross negligence.

14. The auction will be held under the supervision of the Zurich 8 City Council as participating authority. Neither the Councillor nor his representative nor the City and Council of Zurich are liable for the Auctioneer's actions.

15. The auction and any subsequent legal relationship are subject to Swiss law. Place of execution and place of jurisdiction is Zurich 1. The Auctioneer, however, reserves the right to sue the Buyer at his place of residence. Unless any special regulations have been made in these terms of auction, the rules under the decree passed by the Zurich Court of Appeals on actions relating to voluntary public auctions dated 19.12.1979 shall apply.

MISER PAR ÉCRIT CHEZ CORINPHILA (FR)

Si vous ne pouvez participer personnellement à notre vente, faites nous parvenir vos offres écrites maximum au plus vite en remplissant le formulaire d'ordre d'achat que se trouve dans chaque catalogue. Les offres écrites nous parvenant moins de 2 heures avant le début de la vente ne peuvent plus, pour des raisons techniques, être prises en considération. En cas d'offres égales le lot sera attribué au premier ordre reçu. Les offres inférieures à nos prix de départ ne sont pas acceptées. Les offres écrites seront traitées comme si vous étiez personnellement présent dans la salle de vente. L'attribution des lots se fait au plus offrant mais aux prix le plus bas possible: si p.ex. vous misez par écrit un lot 2'200 CHF, et que la mise immédiatement inférieure (par écrit ou verbalement) est de 1'500 CHF, vous obtenez le lot pour 1'600 CHF, c'est à dire une échelon de plus que la deuxième offre dans notre échelle d'enchère (donc 600 CHF au-dessous de votre offre). Nous protégeons vos intérêts exactement comme si vous étiez personnellement présent à la vente!

Nous savons par expérience que beaucoup d'offres écrites ne sont pas couronnées de succès. C'est pourquoi nous vous offrons la possibilité de donner des offres alternatives afin d'augmenter vos chances d'obtenir un lot. Si vous vous intéressez par exemple à deux ou plusieurs lots mais vous ne voulez en obtenir qu'un seul, écrivez alors simplement „OU“ entre les différents numéros de lots.

En outre vous pouvez également limiter le montant total de vos achats (commission de 22% non incluse). Par exemple si vous misez plusieurs lots pour un montant total de 10'000 CHF et que vous désirez limiter vos achats à 7'500 CHF, alors les lots ne vous seront adjugés que jusqu'à ce montant, même si vos mises sur les lots suivants au cours de la vente étaient encore les plus élevées.

En donnant vos ordres par écrit, vous ne savez pas encore quels lots vous seront attribués. Grâce à la possibilité de nous donner des offres alternatives et/ou de limiter le total de vos achats, vous augmentez vos chances d'obtenir des lots par écrit, sans prendre de risques financiers supplémentaires.

Si vous souhaitez miser le plus rapidement possible, envoyez vos ordres par courrier électronique à info@corinphila.ch ou par téléfax au numéro +41 (0) 44 - 389 91 95.

VOSTRE OFFERTE SCRITTE (IT)

Se non potete partecipare personalmente alla nostra asta, vi preghiamo di inviarci per iscritto e prima possibile le vostre offerte massime – a tale scopo dovreste utilizzare il modulo allegato a ciascun catalogo. Le offerte scritte che ci giungeranno a più di 2 ore dall'inizio della relativa asta, non potranno più essere elaborate. In caso di offerte scritte equivalenti per lo stesso lotto, sarà data precedenza alla prima offerta pervenuta. Le offerte inferiori non saranno accettate.

Terremo conto delle offerte scritte solo se in sala saranno presenti altri offerenti o se eventuali altre richieste scritte dovessero superare quelle pervenute. L'aggiudicazione in genere avviene non per l'ammontare della vostra offerta massima scritta, bensì per il minor importo possibile. Ad esempio: se per un determinato lotto avete presentato un'offerta scritta di 2'000 CHF, ma l'offerta immediatamente inferiore è pari a 1'500 CHF, vi potrete aggiudicare il lotto già con un'offerta di 1'600 CHF corrispondente alla tabella del rialzo minimo (vedi le nostre condizioni al rialzo). Rappresenteremo i vostri interessi di offerente per iscritto proprio come se foste realmente presenti in sala!

Sappiamo per esperienza che gli offerenti per iscritto si aggiudicano molto raramente tutti i lotti cui sono interessati. Sfruttate quindi la possibilità di presentare offerte alternative – in tal modo potrete aumentare le vostre possibilità di vincita. Potreste ad esempio essere interessati a due o più lotti, ma desiderate aggiudicarvene uno solo: in questo caso vi basterà inserire l'annotazione „OPPURE“ fra i numeri di lotto corrispondenti. Inoltre potrete anche limitare l'importo totale per i vostri acquisti (escl. aggio del 22%): se ad esempio siete interessati a svariati lotti per un valore complessivo di 10'000 CHF e nella vostra offerta scritta limitate l'importo totale dei vostri acquisti a 7'500 CHF, vi aggiudicherete solo i lotti fino a questo importo massimo se dovete essere l'offerente maggiore per altri lotti.

Consegnando le vostre offerte scritte non potete sapere in anticipo quali lotti vi aggiudicherete – d'altro canto però (se a chiusura d'asta dovete constatare che le vostre offerte non sono state accettate) potreste anche essere interessati ad altri lotti; presentando offerte alternative e/o limitazione dell'importo totale per i vostri acquisti aumenterete le vostre possibilità di aggiudicarvi i lotti cui siete interessati in qualità di offerente per iscritto, senza che venga superato il limite da voi prefissato.

Le vostre offerte scritte ci possono pervenire rapidamente per E-MAIL: info@corinphila.ch oppure per TELEFAX allo +41-(0)44-389 91 95.
